ON THE MAGICAL WEDDING DAY

Groomsman PREP

THE REHEARSAL:

The ceremony rehearsal will begin by 4:00 PM sharp and conclude at 5:00 PM. We will practice walking down the aisle, walking back up the aisle and discussing where you will sit during the actual wedding ceremony. We are on a short timeframe due to the welcome dinner starting at 5:45 PM at Naumes Winery so it is incredibly important that you are ready to participate in the ceremony rehearsal upon arriving to the venue.

Saturday is going to be a long day so please head to bed early, keep drinking to a minimum and have everything you will need on the wedding day ready to go (including any ironing).

THE DAY OF TIMELINE:

You were given a timeline listing out the details of the day. Please do your very best to accomplish each task according to plan. You don't want to be the reason the pictures or ceremony is held up.

HOW THE MORNING GOES:

You have been chosen to help prepare the Groom for one of the most important moments of his life! You may be asked to do things outside of your comfort zone, and the groom appreciates your willing heart to help where you can! Your morning is relatively easy compared to the bridesmaids – Your responsibility is to hang with the Groom, keep him calm, and make sure he makes it to the wedding! Please keep drinking to a minimum and note that outside alcohol is not permitted at the venue while you are getting ready. I know it is a celebratory time but pre-ceremony is not the time to overindulge or to create problems with the venue.

You will meet up with Kody for breakfast/brunch in the morning (see Kody for time and location). Please arrive showered/groomed to the venue by 1:15 PM. The videography team will capture your game day arrival walk as you enter. You will all need to get dressed starting at 1:45 PM. Becca or her assistant will arrive shortly after to put your boutonniere on at 2:00 PM.

Wedding days are long days. Please be sure to hydrate and snack throughout the day as it will be until the evening when dinner is served. Be sure to tidy your belongings as you get ready to keep the room clean to make it a smooth transition at the end of the night.

We will begin with the first look at 2:10 PM, with groomsmen portraits following soon after at 2:45 PM. Be prepared to smile, pose however you have been instructed, and encourage the Groom throughout the day

After portraits are completed, you will have some time to cool off, breathe, and hydrate. Guests will begin arriving at 3:30 PM. We will line up for the processional at 3:45 PM in the locations we practiced the night before. The wedding ceremony will follow at 4:00 PM.

After the ceremony has concluded, please enjoy mingling with guests. When the DJ announces for guests to find their seats, please find your table, choose a place to sit at your assigned table and then find Wedding Planner Becca to prepare for the grand entrance. The majority of your responsibilities end once the reception has started unless you are on the list for toasts. Other than that, just make sure you are on the dance floor during the first open dance song to get the other guests out on the floor!

FAIRY DUST TIPS:

- ♥ Keep all of your items in one or two bags. Tidy up and pack as you go. The last thing you want to do at the end of the night is try to find your sweats from the morning.
- ♥ Eat breakfast and drink lots of water! If you plan to drink champagne or any other alcoholic beverages while getting ready, be sure to eat! And don't over-do the bubbly...pre-ceremony is not the time for that.
- ♥ Have all of your entire outfit prepared the day before...no last minute shopping
