ON THE MAGICAL WEDDING DAY

BRIDE • PRINCESS PREP

THE REHEARSAL:

The ceremony rehearsal will begin by 3:00 PM sharp and conclude at 4:00 PM. We will practice walking down the aisle, walking back up the aisle and discussing how you will stand during the actual wedding ceremony.

Your welcome dinner on the beach will begin at 4:30 PM at The Cove Beach.

Saturday is an early morning so please head to bed early, keep drinking to a minimum and have everything you will need on the wedding day ready to go.

HOW THE MORNING GOES:

You will hang out with the bridesmaids the morning of. Be sure to eat breakfast before you sit in the chair for hair and makeup services – It will be a long day until dinner is finally served. If you choose to drink champagne or any other alcoholic beverages, be sure to drink equal amounts of water to stay hydrated. We want to make sure you enjoy every minute of the celebration!

Hair & Makeup will begin at the salon at 9:00 AM at the Nautilus House.

Be sure to have a clean face and clean dry hair prior to hair and makeup services. You will want to wear a shirt that can easily go over your head without messing up your hair and makeup. I recommend a button down shirt or a robe. Your services will begin starting at: 12:00 PM.

Hair & Makeup Artist Requests:

- Please wear tops that are easily removed without disturbing hair or makeup
- Please arrive with clean, dry hair and clean faces (no makeup and no skincare products - Lips should be prepped with a lip scrub and lip balm to avoid coming in with any dry or cracked lips)
- Please avoid being on your phone during your services as it can slow down the process
- Please have inspiration photos in hand when arriving for services
- If your hair is thick or curly and you desire a smooth updo or soft curl style, you must smooth your hair prior to services
- If anyone has super thick or curly hair that desires a straight style, they must have their hair smoothed out prior to getting their hair done with us.
- Please have an area specifically designated for makeup and hair. Area must include a spacious clean table or counter top, electrical outlets and chairs. Please make sure the table space is clean and ready for us to set up prior to their arrival.

Take those precious hours while you are getting ready to chat with your maids, eat, drink, laugh, and relax! Once hair and makeup is complete, you will put on your gown and begin to take pictures. Be sure to tidy your belongings as you go to keep the room clean for the photographer/videographer and to make it a smooth return post wedding. You will slip into your gown at 2:15 PM.

Be sure to take in each moment because once the photos start, it can become a blur. After portraits are completed, take a breath, use the ladies' room and prepare to head to the ceremony space. You will need to head to the venue at 3:40 PM, the lady in waiting will escort meet you in the parking lot and assist you & your father to the ceremony. Once the ceremony begins, watch the day unfold in a magical way!

After the ceremony, you will spend about an hour taking pictures and then you will be able to mingle with your guests, eat some appetizers and grab a drink. Becca or one of her assistants will find you when it is time to head to the reception space for your grand entrance. Following the grand entrance, you will join together to give a welcome toast and thank your guests for attending – dinner will be served shortly after. Your traditional dances will follow dinner service and then your photo/video team will sneak you away for some sunset pictures.

Enjoy this celebration we spent so much time planning! It is going to be nothing short of amazing and beautiful! The day will be gone before you know it so take in every second, be present, and just have the best day ever!!!

FAIRY DUST TIPS:

- ♥ Eat breakfast and drink lots of water! If you plan to drink champagne or any other alcoholic beverages while getting ready, be sure to eat! And don't over-do the bubbly...you want to remember the day!
- ♥ Wear a shirt/dress/robe that does not need to go over your head. Once your hair and makeup is complete, the last think you want to do is ruin it from pulling your shirt over your head.
