### BRIDE - PRINCESS PREP - PART 2

Take those precious hours while you are getting ready to chat with your maids, eat, drink, laugh, and relax! Once hair and makeup is complete, you will prepare to head to the venue with your mom to get dressed. You will slip into your gown soon after arriving to the lodge side room

Your first look will officially begin at 12:15 PM, followed by bride & groom portraits, bridal party portraits, and family portraits. You will have time between pictures and the processional lineup to sit down & breathe.

You will need to start getting ready for the processional walk around 2:50 PM, but the lady in waiting will escort you and your father to the ceremony. Once the ceremony begins, watch the day unfold in a magical way!

After the ceremony, you will take a few more family portraits and then head out into the pavilion for your grand entrance. Around 4:45 PM, you will be ushered into dinner surrounded by your guests. Following toasts after dinner has concluded, you will sneak away for a few sunset pictures before traditional dances begin. Once you're on the Dancefloor, it's time to dance the night away!
